

Nursing Knowledge: Big Data Science Policy and Advocacy Workgroup Unique Nurse Identifier - Body of Work

Unique Nurse Identifier Resources from the ANI Website

The Nursing Knowledge: Big Data Science Policy and Advocacy Workgroup and the Alliance for Nursing Informatics (ANI) recommend the National Council of State Boards of Nursing (NCSBN) ID should be used by key stakeholders as a nurse identifier to help demonstrate the value of nursing through research, and enhance individual care and health outcomes via more comprehensive documentation in the EHR, ERP, and other technologies and systems.
